

GOSPEL CENTER RESCUE MISSION

restoring lives since 1940

New Life Program, Emergency Lodging, SSA/SSI Representative Payee Services, Homeless Thrift Store,
Recuperative Care, Community Feeding, Disaster Refugee Relief, Non-profit Training

NEEDS STATEMENT: SCHOOL SUCCESS FOR STUDENTS

DESCRIPTION: High School size back packs, glue, glue sticks, crayons, highlighters, pens, pencils, 3 ring binders, binder paper, notebooks. In addition, we have children from preschool to High School, both male and female, that we must purchase new shoes, socks, underwear, jeans and uniform tops and bottoms for. As children grow, these purchases need to be made often and during their entire stay here at the Mission.

BENEFIT: At any one time there are up to 60 children on the Gospel Center Rescue Mission campus living here either full or part time as one or both parents go through the New Life Program. These children can live here for as long as two years. Funding this ensures as they head back to school each year they have the material items necessary to fit in and to succeed psychologically, academically and socially.

COST: \$15,000 to clothe and outfit each child covering up to 60 children.
