DESCRIPTION: The Gospel Center Rescue Mission's (GCRM) has developed a model for success for every individual who enters our program. NEED STATEMENT: STUDY BIBLES

DESCRIPTION: The Gospel Center Rescue Mission's (GCRM) has developed a model for success for every individual who enters our program. Within that model is an educational curriculum which enhances the lives of our residents or students and offers several tools and skills to prepare them for re-entry into society. The key study book common for all of our life-changing programs to Graduation and beyond is a Bible. GCRM is looking to standardize its Bible version so all teachers and Students are working off the same Bible version. The Celebrate Recovery Bible is the standardized Ministry Bible that GCRM has selected. GCRM requires approximately 100 Bibles for 2017 for teachers and students.

BENEFIT: As most of our Program Students attend Celebrate Recovery (CR) and will continue to attend CR or a similar program after Graduation, the CR Bible has been chosen by GCRM. The hard copy study version allows for our Students to study the Bible and maintain a longer usage lifespan. Our curriculum contains courses which are all supported by the student’s own Celebrate Recovery Bible.

TOTAL COST (for 100 to include shipping): $2,000
